Buyer has no contractual obligation until a formal Purchase Contract is executed (or a written authorization to proceed is given by the Buyer's Procurement Agent). Buyer is not obligated to procure any items for which negotiations are conducted; and all costs incurred by the Bidder before placement of a Purchase Contract are at the Bidder's sole risk, unless specifically authorized by Buyer in writing. This RFP should not be construed in any manner to be an obligation, which would result in any claim whatsoever for reimbursement of costs for any effort by you, including the preparation of a response hereto.

Your proposal would be appreciated as soon as possible, but no later than **August 9, 2017**, and shall remain valid for 90 days.

Please let me know if you have any questions, and I look forward to your response.

Thanks,

Sarah Hui
